	rgia Studies for Georgia Stu ter 23: Georgia and World War II	MG1119		
	on 2 The Georgia Home Front tions: Use the information from following.	During World War II page 580 - 590 to complete the		
1.	After Pearl Harbor,	in the United States became focused on		
	production.			
2.	By the end of the war, American	had turned out several		
		planes, thousands of		
	, and millions of	·		
3.	In the desert of	, scientists worked		
	to unlock the my	stery of the atom's nuclear power and make the		
	first workable	·		
4.	World War II brought	economy out of the		
5.	During the war,	_ industries also built factories in the state,		
	including the important	_Aircraft plant in		
6.	Both the military and defense manufact	urers civilians, including		
	many who had been unable to find work before.			
7.	The South had several major	for the establishment of		
	bases.			
8.	Throughout the South were large tracts	of open that required moving		
	far fewer people than in some of the mo	pre densely		
	areas of the country.			

Г

		Da	
9. The land was also _	in tl	ne southern states	5.
10.Because	were lower in the So	uth, the	of employees
both as construction	workers and as the civiliar	n workers on the b	ases was
	e elimet	that allowed for	
	a climate	e that allowed for _	
year-round.			
12. Georgia had	political	figures in	
including Congressn	nan a	and Senators Wall	ter F.
a	and Richard	who had	
Roosevelt's military	preparedness.		
13. Every major Georgia	ahad a	military	of some kind
for	soldiers, caring fo	r the	, or housing
	of war.		
14. One of the largest [b	ases] was Fort	, ir	n Atlanta, which had
been a permanent b	ase for the U.S	since 1885.	
15. During the war, it wa	is a major center for		for the 4th
Command Division a	as well as a	center	to study
	diseases that sickened	d soldiers in the ju	ngles.
16. The United States _	training	school had move	d to Fort
	, near Columbus in Worl		
	trained there became the n		of World War II,
including Generals (Omar	, Dwight D.	, and
e e	••••••••••••••••••••••••••••••••••••••	· · · · ·	· · · · · · · · · · · · · · · · · · ·

	for the Army		did repairs
20		Air Corps.	
	also became a tra	ining ground. A large area south o	of the
community	became Camp		
21.As the war	progressed, Camp Gordon an	d the in A	ugusta held
	of	_ from both Germany and Italy. D	uring the
war, the ars	enal in Augusta made	for weapons sights ar	าd
	for submarines,	as well as	(military
supplies).			
22	and the area a	around it also	from
the military	build-up that began in 1940. /	An effort led by Congressman Hug	Jh
	of Ailey resulted	d in Camp, a	เท
	trainin	g installation located near the sma	all town of
Hinesville.			
23. Like Camp	Gordon in Augusta, Camp Ste	ewart housed	
24. The Army a	lso took over the new Savann	ah municipal airport,	
	Field, for the duration of the	e war.	

ne	Class	Dat	e
25. One of the more uni	usual	groups in Georgia	a during the war was
the U.S. Navy Train	ng center in	foi	the
,	or Women Accepted for \	/oluntary Emergency	v Service.
26.From January 1943	to May 1945, over fifteen		_ women volunteers
from all over the Uni	ted States trained there f	or three months befo	re receiving their
a	ssignments.		
27.All of the military fac	ilities made a	impact o	n Georgia's
28. The same	that made th	e South attractive to	the military -
	lower	, and open	also brought
	who manufactured		equipment.
29	prewar efforts to mak	e itself a	cente
in the South paid off			
30. One of the	of the	plan	ts was the Bell
	_ Company, also known a	as Bell	·
31. The company had b	een founded in 1935 by L	aurence	in New York.
32. General Lucius	, whom Roose	evelt had chosen to h	ead up a program to
	more airports, worke	d with the	mayor and a
cour	nty commissioner to get a	facility in his hometo	own.
33. Of the thousand who	o worked there [Bell Aircra	aft Company], 37 per	cent were
	_, Georgia's own version	of the famous "	the

ime	Class	Date	
34. The Rosie th	e Riveter	was used in government	to
convince wo	men that working was no	t only, but	
	·		
35. These wome	en and their male co-work	ers turned out over six hundred	
also known a	as "	" because of their s	ize and
	carrying capacity	1.	
36.The	, v	vhich dropped the first	bomb,
was a B-29.			
37.The		industry was important alo	ng Georgia'
coast.			
38. In 1942, the	United States began	troops and v	var supplies
across the A	tlantic Ocean.		
39. Trying to sto	p these efforts, German _	roamed the oce	an in group
known as "			
40. They were h	aving success	American ships an	d tons of
supplies.			
41. American ne	eded to expand its	carrying capabilities.	
42. Both Southe	astern Shipbuilding on th	e Savannah River and J. A. Jones S	Shipyard in
Brunswick tu	irned out "		
		over 440 feet long and 56 fee	et wide that
carried rifles	and	, tanks,	, and
airplanes.			
·			

ame	Class	Date
44. They were	ships, that could be	built Parts
were	in factories throu	ghout the country, and the ship itself
was	in the shipyards'	(a sloping
surface used to buil	d or repair boats before return	ning them to the water).
45. President Roosevel	t nicknamed the ships the "	
46. The Savannah Ship	yard, Inc. was taken over by t	he United States
Commission in 1942	2. The first ship was	at the end of 1942
47.Named the U.S.S		in honor of
	founder, the ship did not	survive the war.
48. The Savannah yard	s turned out	Liberty ships
during the war, eacl	n costing almost \$2	·
49. In Brunswick, a new	/	yard was constructed by
Brunswick Marine.	The	shipyard also built
	ships,	in all.
50. Because the ships v	were relatively simple in	, workers
	shipbuilding experience	could be hired.
51. During the war, Geo	orgia a	lso worked in the
industry.		
52. Women from other	areas came to the state as me	embers of the
(Women's Airforce S	Service Pilots) of the Army Air	Corps and the WAVES of the Navy.
