Clues

- _____ location: a specific spot on planet Earth, sometimes expressed using latitude and longitude
- _____ soil: soil that is made up of sediment carried by a river and deposited along its banks
- drainage _____: an area of land that drains into tributaries and eventually into larger rivers
- a waterway closely associated with Louisiana, which ranges in size from short and shallow to long and navigable
- the average weather of an area over a long period of time
- _____ cutoff: a lake formed when a river seeks a shorter, straighter course through flat terrain
- salt _____: a geological formation found in Louisiana's salt marsh, which is covered by layers of rock that, under great pressure, have folded upward in domelike formations
- the height of a place above sea level
- surroundings
- an imaginary line on Earth's surface that divides Earth evenly between the North and South Poles
- wearing away by the action of water or wind
- a place where a river meets the sea
- Mississippi _____ region: one of the five natural regions of Louisiana, which runs along both sides of the Mississippi River in the eastern part of the state
- _____ season: the number of days between the last killing frost (below 32°F) in the spring and the first killing frost in the fall
- _____ region: one of the five natural regions of Louisiana, which covers most of northern Louisiana and a small area in southeastern Louisiana
- a violent storm that forms in the Atlantic Ocean during the summer and fall
- any natural feature of Earth's surface
- an imaginary line that measures a location's distance north or south of the equator
- _____ soil: windblown dust that builds up and forms a ridge of bluffs as it approaches higher elevations
- an imaginary line that measures how far east and west a location is from the prime meridian
- _____ lake: a lake created behind low groups of ridges in the marshlands
- _____ region: one of the five natural regions of Louisiana which lies along Louisiana's border with the Gulf of Mexico
- an area found along a coast that is a transition area between land and water
- water that is deep enough to travel by boat
- a rodent that was once highly valued for its fur but now causes harm to our marshes
- _____ geography: the study of differences in the terrain and character of the land in a given place or region
- any form of water, liquid or solid, that falls from the atmosphere and reaches the ground
- _____ meridian: the 0° line of longitude that divides Earth into Eastern and Western Hemispheres
- _____ lake: a lake created when a huge logjam blocks the flow of a river

30. _____ location: where a place is located in relation to another place or places
31. the difference between the highest and lowest levels in a given area
32. material that settles to the bottom of a liquid
33. the slow process of land sinking into the sea
34. _____ region: one of the five natural regions of Louisiana, which is made up of the blufflands, prairies, and flatwoods
35. a dark funnel-shaped cloud with swirling winds that can measure over two hundred miles an hour
36. Red River _____ region: one of the five natural regions of Louisiana, which runs along the Red River with natural levees and lower-lying areas behind them
37. the current condition of the atmosphere on any given day
38. swamps, marshes, and other areas that have a natural supply of water and are covered or soaked with water at least part of the year

Clues

1. French Canadians who came to Louisiana beginning in the 1760s; called Cajuns for short
2. _____ American: a relatively modern term that refers to all people descended from the Africans brought to North America during its colonial and early national periods
3. a person who came into Louisiana from the colonies established by the English; they descended from English-speaking migrants (English, Irish, and Scots-Irish) to North America
4. the art and science of designing and constructing buildings
5. a type of music with origins in songs and chants of slaves and sharecroppers as they worked in plantation fields; later the guitar, harmonica, and electric guitar accompanied the songs
6. _____ Country: one of the five cultural regions of Louisiana; extends across a triangle-shaped area of southwest Louisiana and is further divided into prairie and wetlands areas; traditional home of Acadians
7. someone born in the New World; in its earliest usage, someone born in a colony, not the nation that claimed that colony; in colonial Louisiana, anyone born in Louisiana whose descendants were from another place (possibly France, Spain, or Africa)
8. _____ region: one of the five regions of Louisiana; stretches across the center of the state and takes its name from the way its culture serves as a crossroads between the northern and southern portions of the state
9. _____ anthropologist: a scholar who studies communities and helps identify areas where similar pasts and patterns make a region distinct from its surroundings
10. the way of life of a group of people, shaped by their ideas, beliefs, customs, and behavior
11. cultural _____: the process in which new customs blend with older ideas and practices to form entirely new cultural expressions
12. _____ group: a group of people who are or who consider themselves to be different from other members of their community based on factors like where they came from, their racial identity, and cultural, religious, and linguistic similarities
13. _____ New Orleans: one of the five cultural regions of Louisiana; includes thriving urban areas of Jefferson Parish (Metairie and Kenner) and cities across Lake Pontchartrain (Covington and Slidell)
14. a food commonly associated with Louisiana; a thick soup or stew served over rice, usually prepared with duck, sausage, seafood or just with vegetables
15. a Spanish-speaking person; such people came to Louisiana beginning in the 1760s from the Canary Islands and the Malaga region of Spain, and more recently from Latin America
16. a Spanish-speaking person who immigrated from the Canary Islands and settled in St. Bernard Parish
17. a Louisiana dish that includes rice and a combination of meat, seafood, and sausage, and sometimes tomato; similar to Spanish paella
18. an important American art form that grew out of the creations of African American and Italian American musicians in New Orleans at the beginning of the twentieth century; it evolved over time and spread all over the world
19. _____ Gras: Louisiana's most famous festival; its season of parades and balls begins on Epiphany and continues through Fat Tuesday, the day before Ash Wednesday, which is the first day of Lent
20. Sportsman's _____ region: one of the five cultural regions of Louisiana; known for rolling hills, forests, and lakes that provide opportunities for outdoor recreation like fishing and hunting
21. _____ Country Region: one of the five cultural regions of Louisiana; takes its name from the many former plantations that once dominated the region's geography and culture
22. relating to a city
23. a form of lively dance music created by black Creoles in rural southwest Louisiana; features fiddles, accordions, and a percussion instrument called a frottoir

2. a Louisiana dish that includes rice and a combination of meat, seafood, and sausage, and sometimes tomato; similar to Spanish paella
3. a form of lively dance music created by black Creoles in rural southwest Louisiana; features fiddles, accordions, and a percussion instrument called a frottoir
6. French Canadians who came to Louisiana beginning in the 1760s; called Cajuns for short
8. a Spanish-speaking person who immigrated from the Canary Islands and settled in St. Bernard Parish
9. _____ New Orleans: one of the five cultural regions of Louisiana; includes thriving urban areas of Jefferson Parish (Metairie and Kenner) and cities across Lake Pontchartrain (Covington and Slidell)
11. someone born in the New World; in its earliest usage, someone born in a colony, not the nation that claimed that colony; in colonial Louisiana, anyone born in Louisiana whose descendants were from another place (possibly France, Spain, or Africa)
12. _____ American: a relatively modern term that refers to all people descended from the Africans brought to North America during its colonial and early national periods
13. a Spanish-speaking person; such people came to Louisiana beginning in the 1760s from the Canary Islands and the Malaga region of Spain, and more recently from Latin America
14. _____ group: a group of people who are or who consider themselves to be different from other members of their community based on factors like where they came from, their racial identity, and cultural, religious, and linguistic similarities
16. a person who came into Louisiana from the colonies established by the English; they descended from English-speaking migrants (English, Irish, and Scots-Irish) to North America
18. relating to a city

Chapter 2 Louisiana's Culture

Instructions: Complete the crossword puzzle. Use the clues to help identify the words.

Across

- _____ Country Region: one of the five cultural regions of Louisiana; takes its name from the many former plantations that once dominated the region's geography and culture

2. an important American art form that grew out of the creations of African American and Italian American musicians in New Orleans at the beginning of the twentieth century; it evolved over time and spread all over the world
4. _____ Gras: Louisiana's most famous festival; its season of parades and balls begins on Epiphany and continues through Fat Tuesday, the day before Ash Wednesday, which is the first day of Lent
5. _____ region: one of the five regions of Louisiana; stretches across the center of the state and takes its name from the way its culture serves as a crossroads between the northern and southern portions of the state
7. cultural _____: the process in which new customs blend with older ideas and practices to form entirely new cultural expressions
10. _____ anthropologist: a scholar who studies communities and helps identify areas where similar pasts and patterns make a region distinct from its surroundings
11. the way of life of a group of people, shaped by their ideas, beliefs, customs, and behavior
12. the art and science of designing and constructing buildings
15. _____ Country: one of the five cultural regions of Louisiana; extends across a triangle-shaped area of southwest Louisiana and is further divided into prairie and wetlands areas; traditional home of Acadians
17. a food commonly associated with Louisiana; a thick soup or stew served over rice, usually prepared with duck, sausage, seafood or just with vegetables
19. a type of music with origins in songs and chants of slaves and sharecroppers as they worked in plantation fields; later the guitar, harmonica, and electric guitar accompanied the songs

Down

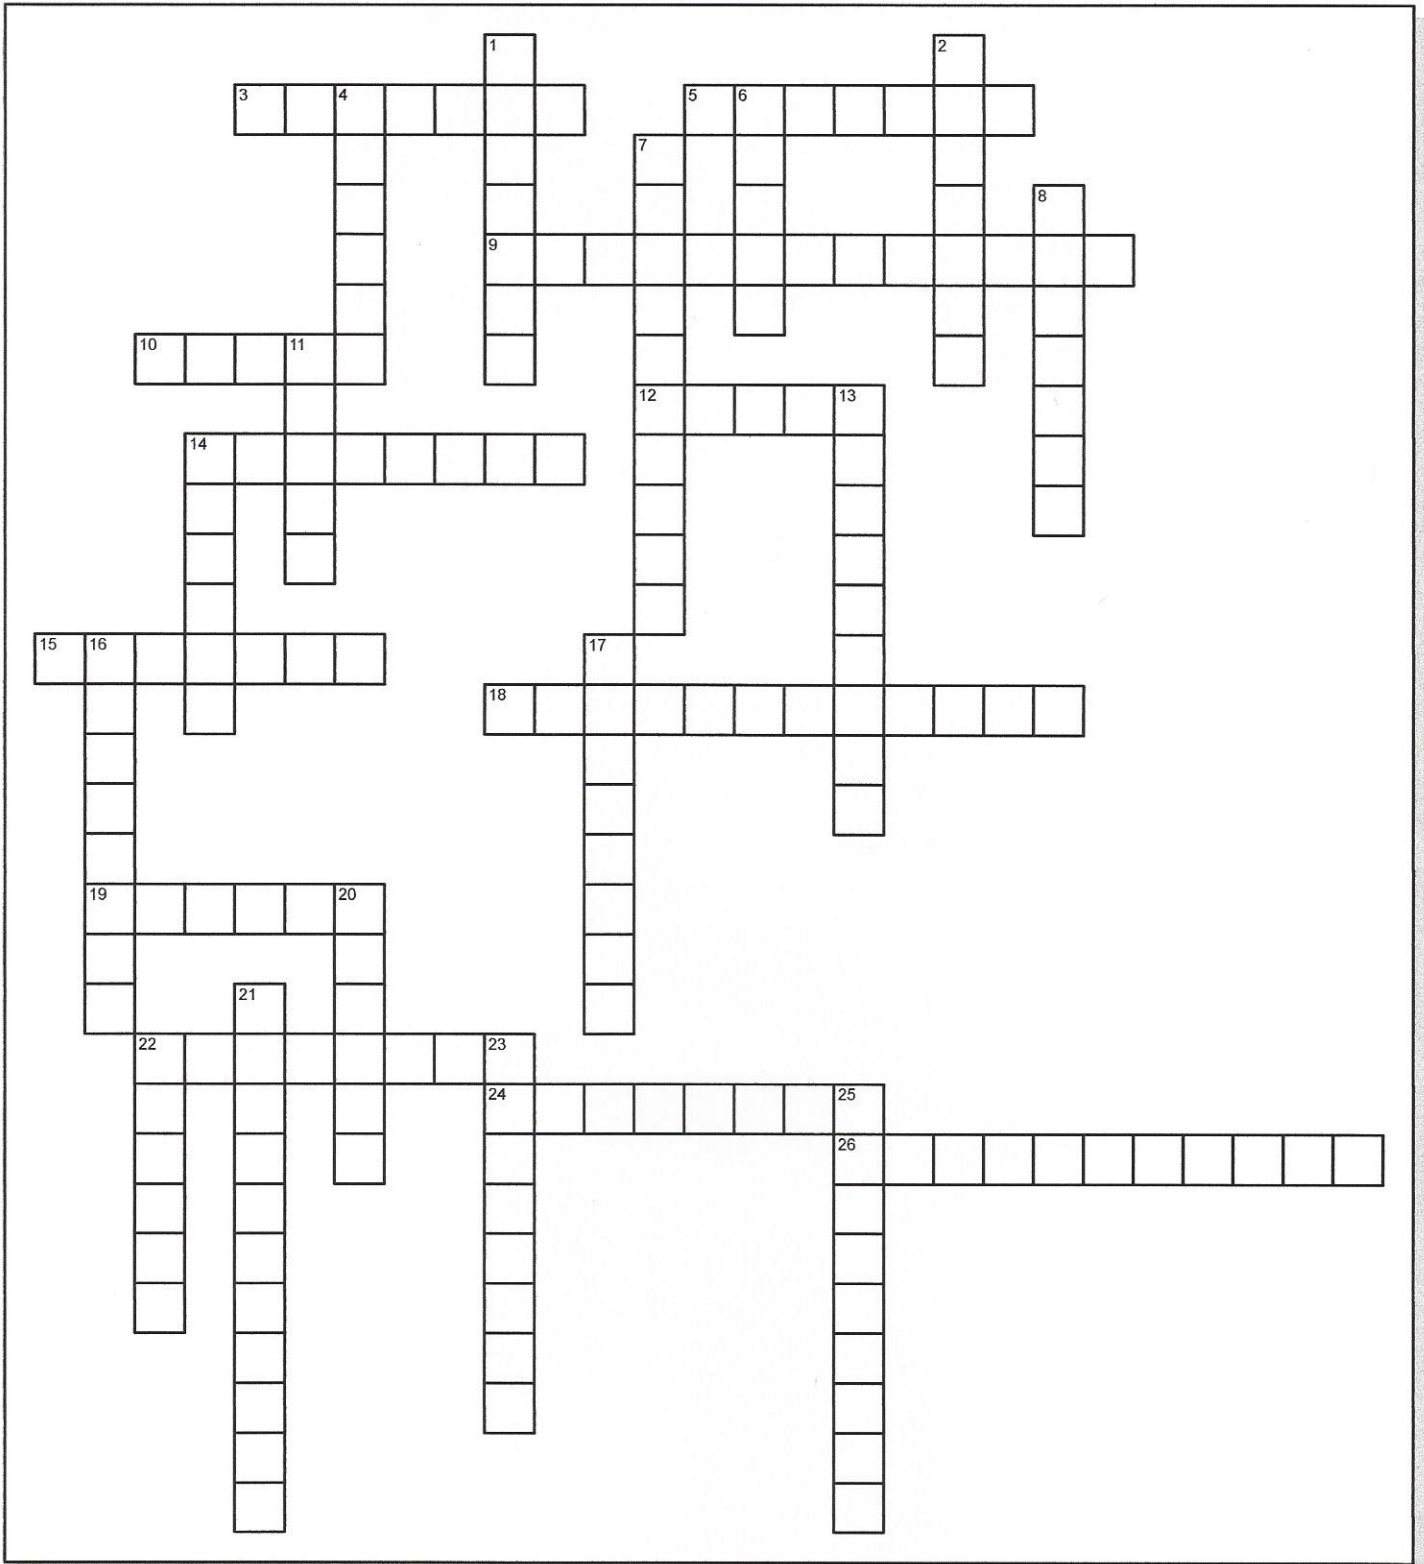

1. Sportsman's _____ region: one of the five cultural regions of Louisiana; known for rolling hills, forests, and lakes that provide opportunities for outdoor recreation like fishing and hunting
2. a Louisiana dish that includes rice and a combination of meat, seafood, and sausage, and sometimes tomato; similar to Spanish paella
3. a form of lively dance music created by black Creoles in rural southwest Louisiana; features fiddles, accordions, and a percussion instrument called a frottoir
6. French Canadians who came to Louisiana beginning in the 1760s; called Cajuns for short
8. a Spanish-speaking person who immigrated from the Canary Islands and settled in St. Bernard Parish
9. _____ New Orleans: one of the five cultural regions of Louisiana; includes thriving urban areas of Jefferson Parish (Metairie and Kenner) and cities across Lake Pontchartrain (Covington and Slidell)
11. someone born in the New World; in its earliest usage, someone born in a colony, not the nation that claimed that colony; in colonial Louisiana, anyone born in Louisiana whose descendants were from another place (possibly France, Spain, or Africa)
12. _____ American: a relatively modern term that refers to all people descended from the Africans brought to North America during its colonial and early national periods
13. a Spanish-speaking person; such people came to Louisiana beginning in the 1760s from the Canary Islands and the Malaga region of Spain, and more recently from Latin America
14. _____ group: a group of people who are or who consider themselves to be different from other members of their community based on factors like where they came from, their racial identity, and cultural, religious, and linguistic similarities
16. a person who came into Louisiana from the colonies established by the English; they descended from English-speaking migrants (English, Irish, and Scots-Irish) to North America
18. relating to a city

Across

1. the system through which a community is organized; it is empowered to make, enforce, and carry out laws and procedures

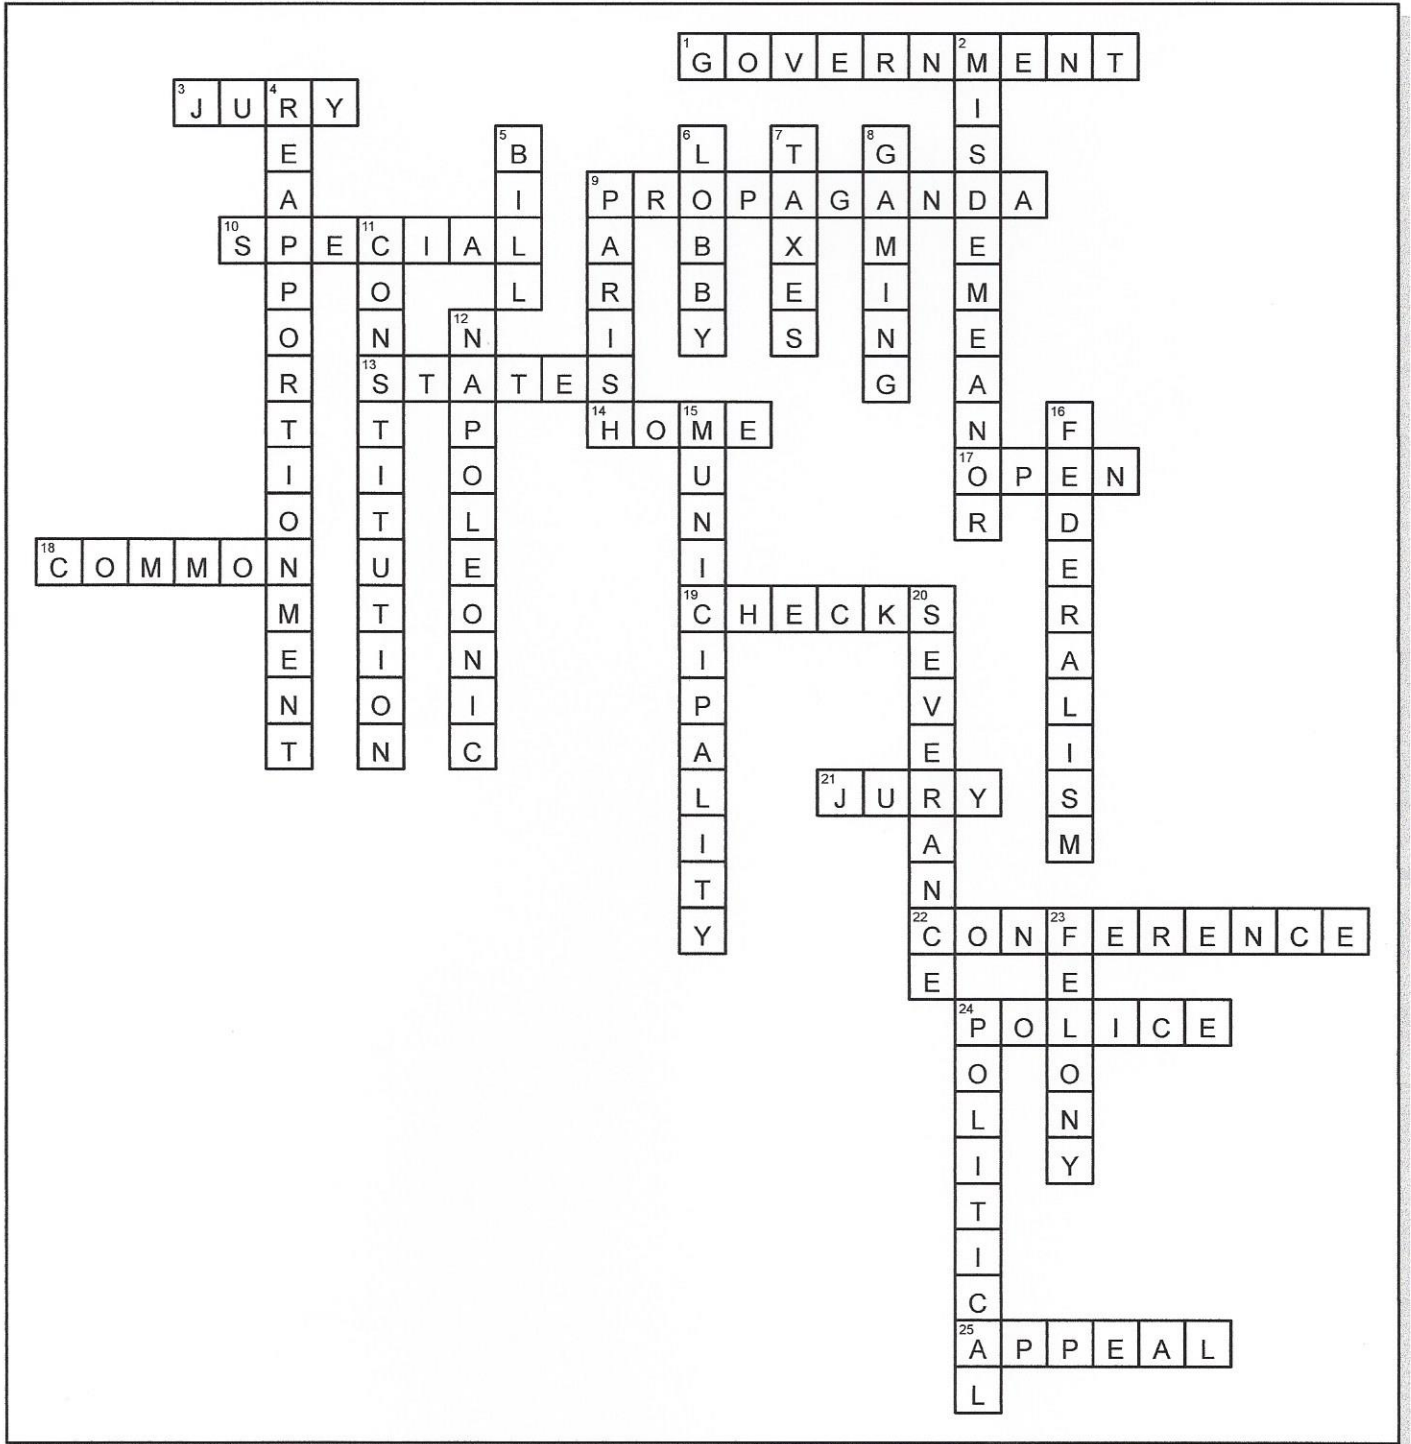

3. grand _____ - a panel of twelve citizens who serve for six months and, after listening to the district attorney, decide if there is enough evidence to indict a person for a crime
9. information spread widely in order to promote or discourage a particular proposal or political point of view
10. _____ session - a legislative session called to discuss specific subjects
13. United _____ Constitution - the document, written in 1787 and ratified in 1788, that set up our nation's current framework for government
14. _____ rule - political power given to political subdivisions to govern their own affairs
17. _____ primary system - Louisiana's form of elections, in which all candidates, no matter their political party, compete in the first (or primary) election and voters can vote for any candidate, regardless of party; then the two candidates with the most votes advance to a runoff election
18. _____ law - a system of law that uses earlier decisions-called precedents-as guidelines; it shaped the criminal laws adopted in Louisiana
19. _____ and balances - a division of powers among the three branches of government, with each branch having the primary responsibility for certain functions of government, and with all branches sharing power and none being authorized to function without the other two
21. a group of citizens who hear evidence on a legal case and make a decision based on the evidence
22. _____ committee - a committee that includes members from both the Senate and the House, who try to work out differences between two versions of a bill so they can return the revised bill to both chambers for another vote
24. _____ jury - the governing body for most parishes in Louisiana
25. to take a case to a high court for further consideration

Down

2. a less-serious crime, like speeding
4. revising the legislative district boundaries based on population numbers
5. _____ of Rights - the first ten amendments to the U.S. Constitution
6. to attempt to influence legislators about issues
7. amounts charged citizens by their governments (federal, state, and local) to support governments and the services they provide
8. the legal term for gambling
9. the primary local government division in Louisiana
11. a document of a government that explains its purpose, describes its organizations, and states its powers
12. _____ Code - a complete collection of civil laws commissioned by French emperor Napoleon Bonaparte around 1800, which influenced Louisiana's first civil code adopted in 1808
15. a unit of local government--a village, town, or city
16. the division of power between the federal and state governments
20. _____ tax - an amount charged for removing natural resources--such as timber, oil, and gas--from the state; based on the idea that, once natural resources are removed, they will not be available for future generations
23. a serious crime, like murder and armed robbery
24. _____ party - an organization of people who come together because they have shared ideas about how government should operate

Chapter 10 Secession and Civil War

Instructions: Complete the crossword puzzle. Use the clues to help identify the words.

Across

1. the murder of a prominent person, usually for political reasons
2. Emancipation _____ - a proclamation issued by President Lincoln on January 1, 1863, that did not end slavery but was designed to create havoc by freeing slaves only in Confederate-occupied areas
5. _____ Compromise - an 1820 compromise that brought Missouri into the Union as a slave state and Maine as a free state; it established a demarcation line for slavery at latitude 36 degrees 30 minutes N
7. making an unfair profit on essential goods during emergency times
9. a bitter herb whose root was ground to serve as a replacement for coffee during the Civil War
11. popular _____ - the ability of the people of an area to decide an issue, such as whether to allow slavery, for themselves
12. the use of naval forces to isolate a seaport and prevent ships from entering or leaving it
15. _____ of 1850 - a multipart compromise whereby California joined the Union as a free state, Utah and New Mexico Territories could decide on slavery by popular sovereignty, and a Fugitive Slave Act was passed
16. _____ Act - an act in the Civil War that allowed the Union army to confiscate the property of those who continued to support the Confederacy

Down

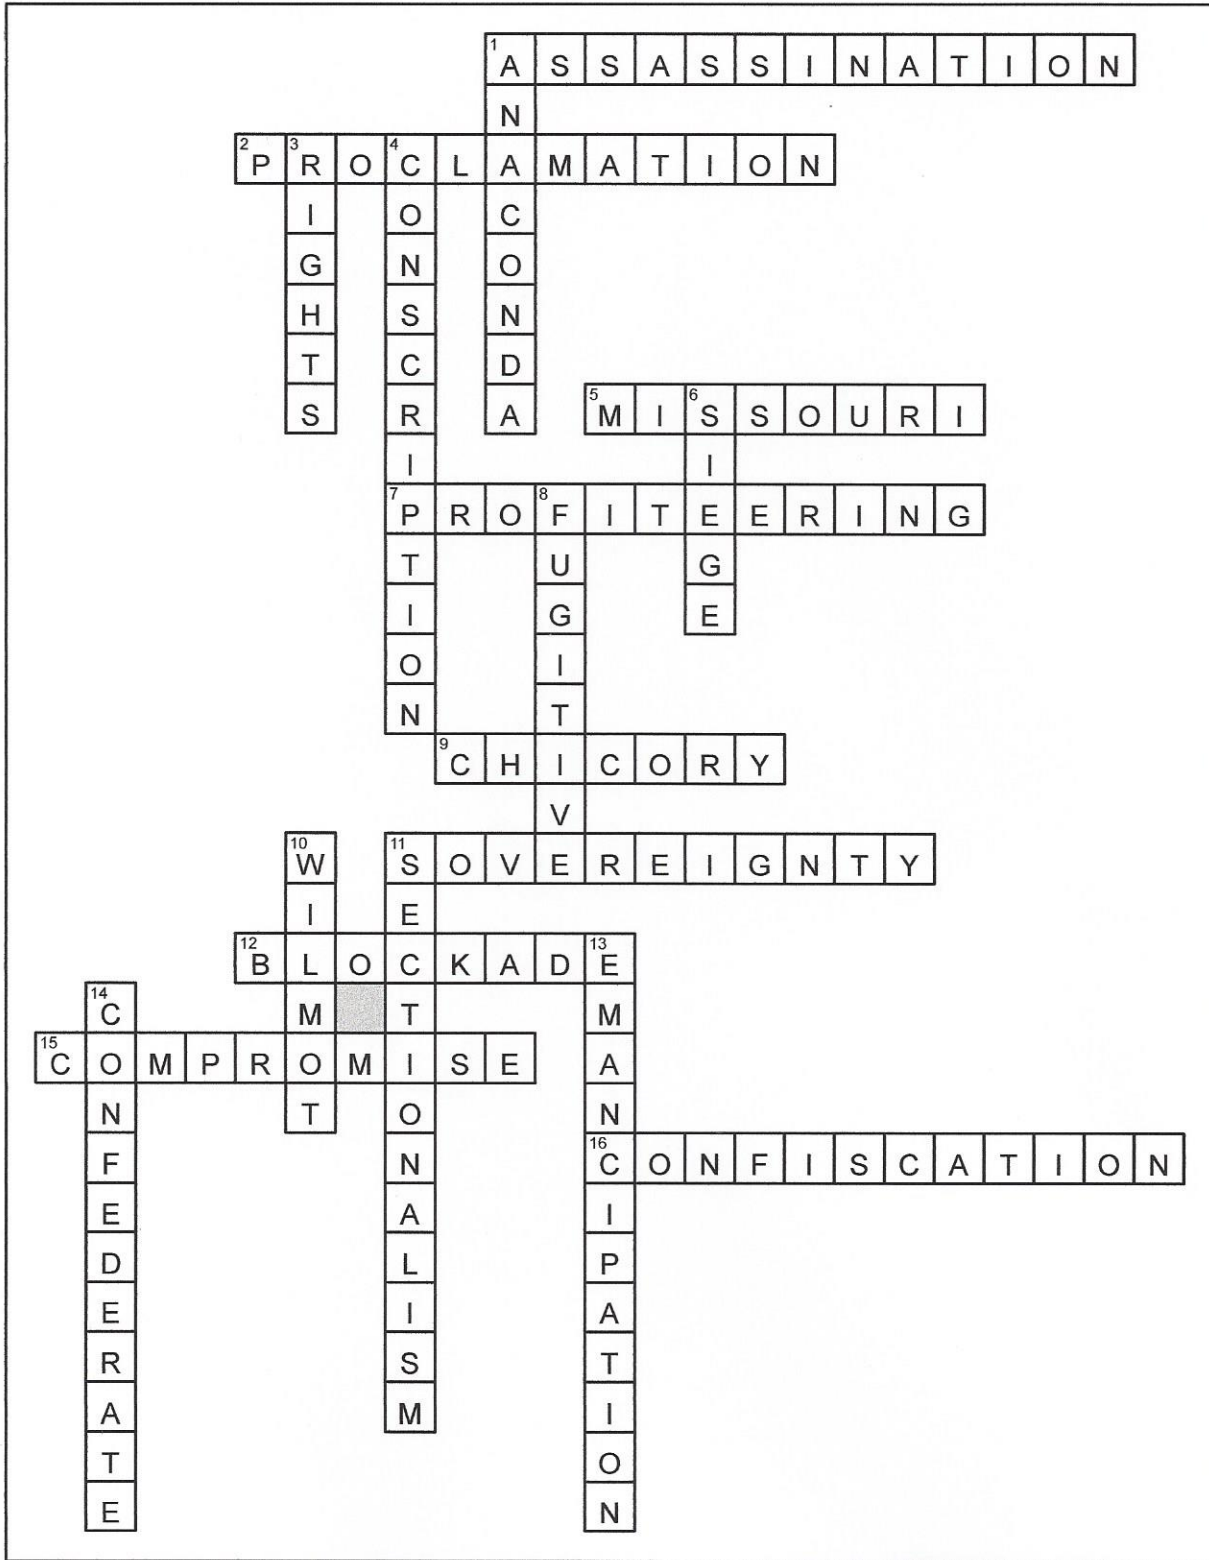

1. _____ Plan - a Union strategy in the Civil War to squeeze the Confederates into submission by controlling the Mississippi River and isolating forces west of the river, thus splitting the Confederacy in two
3. states' _____ - the principle that the rights of individual states should prevail over the rights of the federal government
4. _____ Act - an act first passed in the Civil War to set up a draft (compulsory enlistment for military service)
6. a tactic where an army tries to capture a fort or town by surrounding it and preventing supplies from reaching it
8. _____ Slave Act - an act designed to ensure southern slaveholders that they could reclaim slaves who escaped to free states
10. _____ Proviso - proposed legislation, which was never passed, that would prohibit slavery in any new territory acquired from the Mexican-American War
11. the thinking of northerners and southerners that their own part of the country was fundamentally different from the other, based in large part on the issue of slavery
13. the freeing of slaves
14. _____ States of America (CSA) - the union, formed in April 1861, of seven (eventually eleven) slave states that had seceded from the United States beginning shortly after the election of Abraham Lincoln in 1860

Name: _____ Class: _____ Date: _____

Chapter 11 Reconstruction and Redemption

Instructions: Complete the crossword puzzle. Use the clues to help identify the words.

Across

3. Democrats who, after the end of Military Reconstruction, saw themselves as redeeming southern honor as they returned white Democratic political control in the South
5. _____ rule - the term used to describe the return of white Democratic political control after Reconstruction
6. an insulting term applied to northerners who came south during Reconstruction (carrying only a small carpetbag); they were suspected of taking advantage of postwar conditions to gain political power and to enrich themselves
7. _____ Codes - laws passed in many southern states after the Civil War that were designed to regulate the labor, movements, and behavior of former slaves
8. _____ Republicans - members of Congress who thought the people of the South should be punished for seceding and, in their view, causing the war
10. the process of bringing charges of wrongdoing against a public official while that official is still in office
12. _____ Massacre - a deadly riot of April 1873 that began when heavily armed white Democrats tried to remove Republican electees from the Grant Parish Courthouse
14. the name given to former slaves
17. Reconstruction _____ - four pieces of legislation passed by Congress in 1867 and 1868 that divided the states of the former Confederacy into five districts and put them under military control

Down

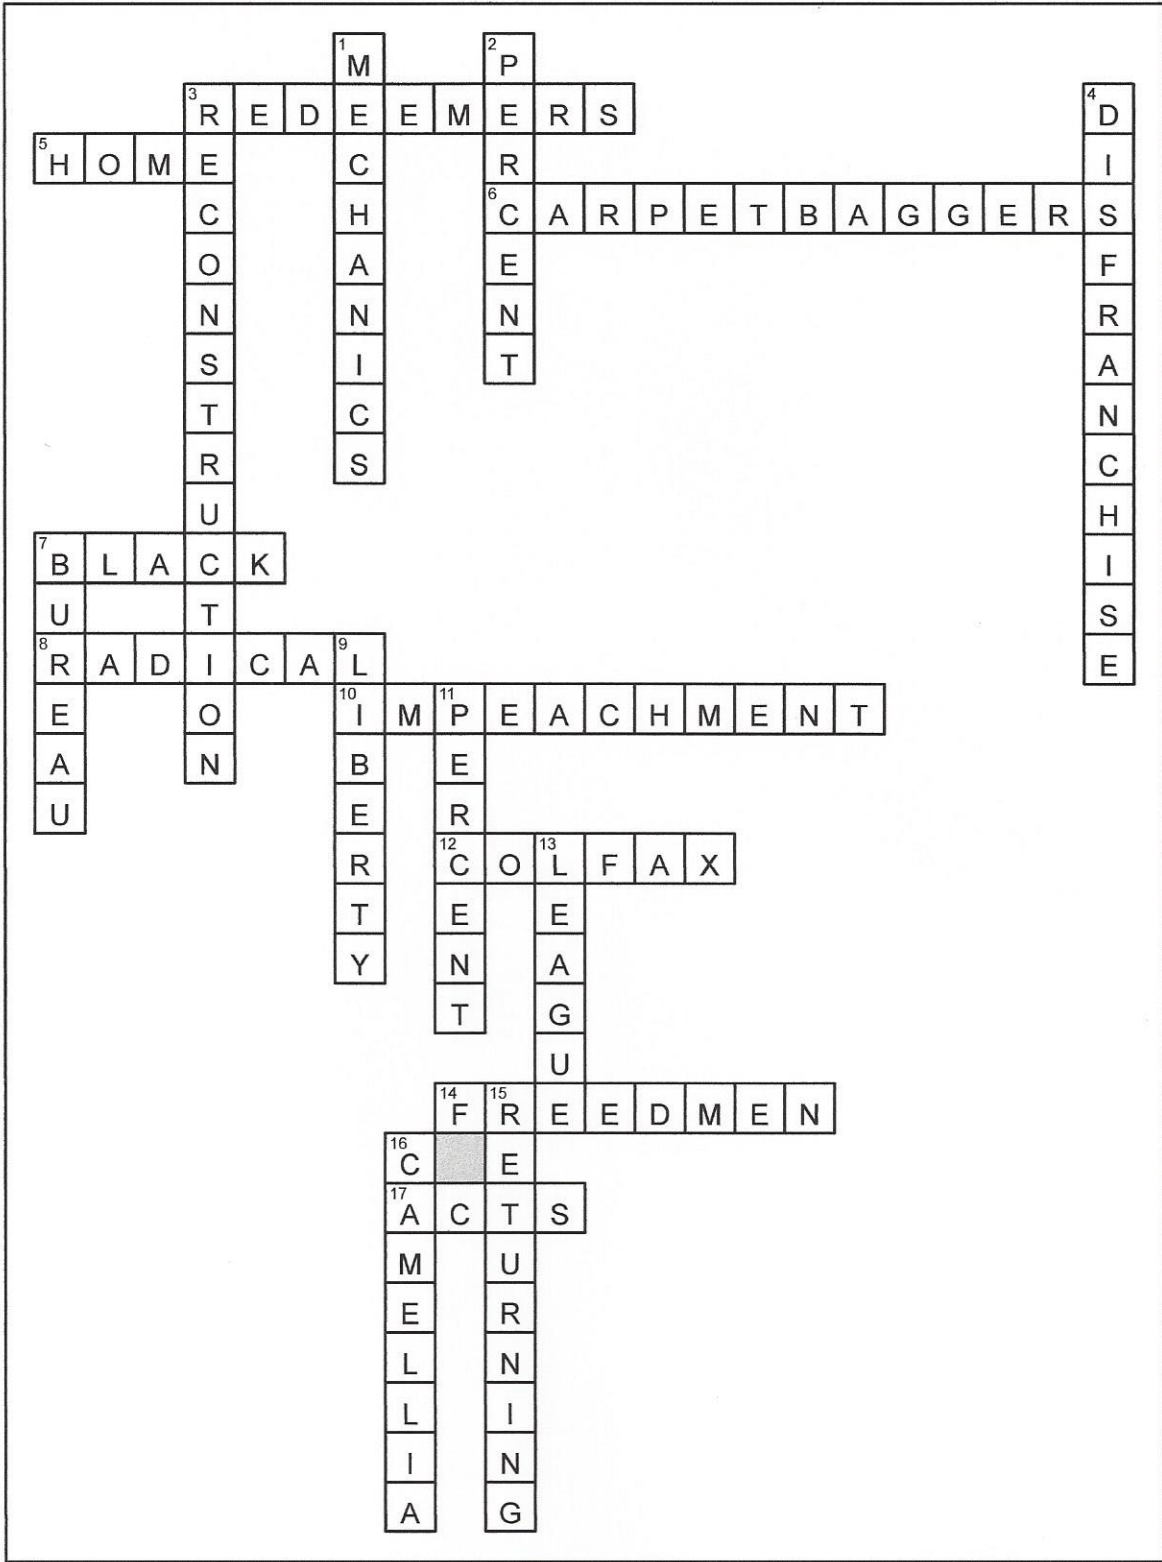

1. _____ Institute Riot - a deadly 1866 confrontation as former slaves and Republicans battled former Confederate Democrats at the Mechanics' Institute building
2. ten _____ plan - President Lincoln's 1863 plan for Reconstruction; under its terms, once ten percent of the number of men who voted in the 1860 election swore a loyalty oath to the Union, and the state agreed to accept abolition of slavery and promised not to compensate former slaveholders, a state could form a new government, elect representatives to Congress, write a new constitution, and return to the Union.
3. the name given to the period between the end of the Civil War and 1877, the year the federal government withdrew its last troops from the south; describes attempts to reconstruct the nation in the aftermath of secession and civil war
4. to take away the right to vote from someone
7. Freedmen's _____ - the Bureau of Refugees, Freedmen, and Abandoned Lands, founded in 1865 to provide emergency relief to poor southerners, both white and black; establish schools and perform marriages for former slaves; and reestablish and regulate labor relations between former slaves and former masters
9. Battle of _____ Place - an incident of September 1874 in which well-armed, but outnumbered, Republicans fought with White Leaguers, who forced the Republicans to retreat and took control of New Orleans government until Republican control was returned by federal troops
11. ten _____ plan - President Lincoln's 1863 plan for Reconstruction; under its terms, once ten percent of the number
13. White _____ - a paramilitary group, formed in 1873, that was committed to restoring the state to white Democratic rule by whatever means necessary
15. _____ board - a board founded during Reconstruction that had the power to determine whether election outcomes (returns) were legitimate or the product of fraud or intimidation
16. Knights of the White _____ - a secret paramilitary organization formed in St. Mary Parish that used methods intended to create terror among potential black Republican voters
