

# Index

The purpose of the index is to help you locate information quickly. The index contains references to text, illustrations, maps, and figures. A page number with a **d** before it indicates a definition. A page number with an **f** before it indicates a figure or chart. A page number with an **m** before it indicates a map. A page number with a **p** before it indicates a painting, photograph, or other illustration. A page number with a **P** before it indicates the name of the artist or source of a painting, photograph, or other illustration.
