Clues

1. Farmers' _____ - groups similar to unions that attempted to use the power of group organizing to advocate for better conditions for farmers
2. _____ Democrat - a person who had not accepted the changes brought about by the Civil War, particularly the abolition of slavery
3. _____ lease system - a system under which the state would lease prisoners to private businesses, which saved the state money and was profitable for the businesses but was hard on prisoners
4. Jim _____ laws - laws enacted by southern legislators that restricted the freedom of African Americans and required separate-but-equal public facilities for whites and for blacks
5. _____ clause - a law that gave a person the right to vote if he could demonstrate that his father or grandfather had been a voter before 1867
6. _____ season - the time in late autumn for the harvesting of sugarcane
7. the power of public officials to give jobs or provide other help to people as a reward for their support
8. debt _____ - the situation when a sharecropper or small farmer couldn't escape a cycle of credit, debt, and increasing poverty
9. _____ tax - a tax that had to be paid before a person could vote
10. belief in the rights, wisdom, or virtues of the common people
11. _____ movement - a movement based on the belief that government could and should be used to help address social problems like poverty, illiteracy, and improving the conditions for all workers
12. a kind of currency that could only be used in company stores
13. a labor system in which a planter would rent a portion of his land to a farmer who agreed to raise a cash crop and give a share to the farmer, in exchange for the land and access to a house
14. the right to vote
