**South Carolina: The Beautiful Palmetto State**  
*Chapter 16: South Carolina Up to Date ~ QuickNotes*

Slide 5

**Section 1: Population: More People, More Diversity**

- What terms do I need to know?
  - quota
  - affluent
  - per capita

5

---

---

---

---

---

---

---

---

Slide 6

**United States Population Trends**

- U.S. population is increasing and becoming more diverse.
- Immigration law of 1965 encouraged foreigners with skills and education
- Law gave preference to relatives with families here.
- Hispanics are the fastest growing ethnic group
- Immigration has created controversy.

6

---

---

---

---

---

---

---

---

Slide 7

**South Carolina Population Trends**

- State is growing faster than the U.S.
  - Former residents of urban areas of Rustbelt
  - Retirees headed to coast
  - Temporary relocation of corporate professionals
- African American and Hispanic populations increasing
- Increase in Congressional representation
- Rural population shrinking, cities growing
- More affluent, per capita increases
- More than one breadwinner per family
- Unemployment above national average
- 1 in 5 in poverty
- More residents own homes than national average

7

---

---

---

---

---

---

---

---

Slide 8

**Section 2: The Economy and the Environment**

- Essential Question: How have changes in the economy affected the lives of South Carolinians?

8

---

---

---

---

---

---

---

---

## South Carolina: The Beautiful Palmetto State

### Chapter 16: South Carolina Up to Date ~ QuickNotes

Slide 9

**Section 2: The Economy and the Environment**

- What terms do I need to know?
  - globalization
  - Multiplier effect
  - conflict of interest

9

---

---

---

---

---

---

---

---

Slide 10

**The New Industries**

- Automobile and related industries (German - BMW)
- Tire manufacturing (French - Michelin)
- International Center for Automotive Research at Clemson University

10

---

---

---

---

---

---

---

---

Slide 11

**The New Industries: Globalization**

- Foreign investments
- Economic interdependence
- Historically marketed rice, cotton, or textiles to the world
- Never economically self-sufficient
- Increased international exchange and dependence due to technology

11

---

---

---

---

---

---

---

---

Slide 12

**The New Industries:  
The Benefits of the Multiplier Effect**

- Increase in service jobs
  - Doctors
  - Lawyers
  - Waiters
  - Carpenters
- Increased economic activity
  - Automotive industry
  - Production of military vehicles (Force protection)
  - Aircraft industry (Boeing)

12

---

---

---

---

---

---

---

---

**South Carolina: The Beautiful Palmetto State**  
*Chapter 16: South Carolina Up to Date ~ QuickNotes*

Slide 13

**The New Industries:  
The Problems of Growth**

- Economic growth in few urban counties
- Rural counties economically stagnant
- Fewer manufacturing jobs statewide
  - Machinery replaced workers
  - Manufacturing moved overseas
  - Textile industry declining

13

---

---

---

---

---

---

---

---

---

---

Slide 14

**Major Contributors to the Economy**

- U. S. military: sends federal money to the state to support military bases
- Tourism is big in the coastal areas and brings in lots of money to local businesses.

Sand dunes on Myrtle Beach

14

---

---

---

---

---

---

---

---

---

---

Slide 15

**Environmental Concerns**

- Beach development
  - Erosion of beaches
  - Pollution of water, air, salt marshes
- Chemical factories
  - Poisonous toxic waste left behind must be cleaned up
- Storage of much of nation's nuclear waste
  - Radioactive for thousands of years
  - No suitable permanent safe storage yet available

15

---

---

---

---

---

---

---

---

---

---

Slide 16

**Environmental Concerns: Agencies  
Protecting the Environment**

- Federal – Environmental Protection Agency (EPA)
- State – South Carolina Department of Health and Environmental Control (DHEC)
- Conflict of interest
  - Bringing new jobs to state
  - Protecting the environment

16

---

---

---

---

---

---

---

---

---

---

## South Carolina: The Beautiful Palmetto State

### Chapter 16: South Carolina Up to Date ~ QuickNotes

Slide 17

**Environmental Concerns:**  
**Land Conservation**

- Need to permanently preserve open spaces and land for parks
  - Historical significance
  - Ecologically sensitive
  - Exceptionally beautiful
- Government and private initiatives
  - Easements
  - Legislative allocations

17

---

---

---

---

---

---

---

---

Slide 18

**Section 3: The Political Scene:**  
**1980-2012**

- Essential Question: How has politics in South Carolina changed since the 1980s?

18

---

---

---

---

---

---

---

---

Slide 19

**Section 3: The Political Scene:**  
**1980-2012**

- What terms do I need to know?
  - weapons of mass destruction (WMD)
  - Great Recession
  - Education Improvement Act (EIA)
  - voucher

19

---

---

---

---

---

---

---

---

Slide 20

29

---

---

---

---

---

---

---

---

---

---

Slide 30

**Section 4: The Broader Culture**

- Essential Question: How have cultural changes affected South Carolinians in recent years?

30

---

---

---

---

---

---

---

---

---

---

Slide 31

**Section 4: The Broader Culture**

- What terms do I need to know?
  - culture
  - popular culture
  - Spoleto USA Festival

31

---

---

---

---

---

---

---

---

---

---

Slide 32

**Expanding Cultural Opportunities**

- State Museum in Columbia
- Aquariums in Myrtle Beach and Charleston
- Riverbanks Zoo and Garden in Columbia

32

---

---

---

---

---

---

---

---

---

---

**South Carolina: The Beautiful Palmetto State**

*Chapter 16: South Carolina Up to Date ~ QuickNotes*

Slide 33

**Opportunities Everywhere**

- 115 museums
- Local history museums
- Specialty museums

33

---

---

---

---

---

---

---

---

Slide 34

**Fairs, Festivals, Food, and Fun**

- Provide popular cultural activities
- Product, sports, music, cultural, and transportation festivals
- Reenactments

34

---

---

---

---

---

---

---

---
