

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Chapter 3: The Economy of West Virginia**  
**Section 1: Basic Economic Concepts**

**Goods and Services**

Directions: Our economy is based upon the production and use of goods and services. Write the definition for goods and services in the spaces below and give some examples of each.

Goods: \_\_\_\_\_  
\_\_\_\_\_

Services: \_\_\_\_\_  
\_\_\_\_\_

**Directions:** The names below represent some businesses that provide goods or services. On the line to the left of each name, write **S** if the business provides a service. Write **G** if the business supplies goods. On the line to the right of the name, list one of the goods or services each business provides. Then answer the questions below.

_____	Sam's House of Pizza	_____
_____	The People's Bank	_____
_____	Berkeley Barber Shop	_____
_____	USA Supermarket	_____
_____	Ezra Jones, MD	_____
_____	Abe's Auto Repair	_____
_____	Ice Cream Palace	_____
_____	Capital City Computer Repair	_____

1. In the businesses identified as providing goods, could someone be providing services as well? If so, give one example. \_\_\_\_\_  
\_\_\_\_\_
2. Do those who provide services use goods in the providing of services? If so, give one example. \_\_\_\_\_  
\_\_\_\_\_
3. Are those who provide these goods and services also consumers? If so, give an example. \_\_\_\_\_
