Chapter 13: West Virginia and Reconstruction
Section 2: Political Changes

Settling Legal Boundaries of West Virginia

Directions: West Virginia had boundary disputes with several states—including Virginia, Ohio, and Maryland—after the Civil War. Identify the boundaries in dispute with each state. Then, color the areas red that were obtained from Virginia. Color the area blue that settled the boundary with Ohio. Color the area green that settled the boundary with Maryland.

The area in dispute with Virginia included _____ .

The area in dispute with Ohio included _____ .

The area in dispute with Maryland included _____ .
