**Ethnicity in West Virginia**

**Directions:** Although many ethnic groups live in all parts of West Virginia, some areas are home to more distinct cultural communities. Most of these communities have ethnic places of worship, which have played an important role in keeping the culture alive. To learn more about the ethnic communities found in West Virginia, go to [www.wvculture.org/arts/ethnic/index.html](http://www.wvculture.org/arts/ethnic/index.html). Use the following chart to record information you find.
